the ChilliDoctor

Chilli Guide

Leading chilli specialists since 2012

We are one of the UK's leading suppliers of chillies

Trusted, accredited supplier base

We work exclusively with approved, audited partners

Dedicated product experts

Our experienced technical team understand chillies inside-out

Fully certified

Accreditations include:

BRCGS Food Safety CERTIFICATED

Proud to be a Sedex Member

Sourced from Across the World

From farms in key chilli growing regions in Latin America, Asia, Africa & the Mediterranean with ideal climates.

Full Traceability & Strict Quality Control

We maintain batch-level traceability and robust testing throughout our entire supply chain.

Reliable, Year-Round Supply

We invest in dependable sourcing and dual supply so your production never skips a beat.

Sustainability Matters

We work with each one of our suppliers to implement sustainable, socially responsible farming practices.

About Us

Your trusted partner for chilli ingredients across Europe

The Chilli Doctor is a BRCGS-certified supplier specialising in bulk chilli ingredients, serving customers across the UK & Europe

Since 2012, we've supplied food manufacturers, flavour houses, and artisan producers, with one of the industry's most comprehensive ranges – including whole dried chillies, powders, flakes, fermented mashes, pastes, and oleoresins.

We don't just supply ingredients. We help customers select the right chilli based on heat level, flavour profile, origin, and application – ensuring consistency, performance, and value in every product.

Quality & ESG

Every ingredient we supply must arrive on time, in specification, and exactly as promised. Our operation is built around accredited food safety systems, trusted supplier partnerships, and a supply chain designed for reliability.

Furthermore, responsible sourcing is integral to how we operate. We work closely with our suppliers and independent third-party organisations to protect the environment, support ethical practices, and maintain transparent, accountable supply chains.

BRCGS Food Safety CERTIFICATED

The Chilli Doctor is certified to **BRCGS** Food Safety standards, covering supplier approval, production controls, hygiene practices, process management, and full product traceability.

AA+ grade in latest audit.

Proud to be a Sedex Member

We are members of Sedex – a global platform for ethical sourcing & transparency

ecovadis

EcoVadis is a leading global sustainability rating covering environment, ethics, labour, and procurement.

SILVER | Top 15% ecovadis Sustainability Rating DEC 2025

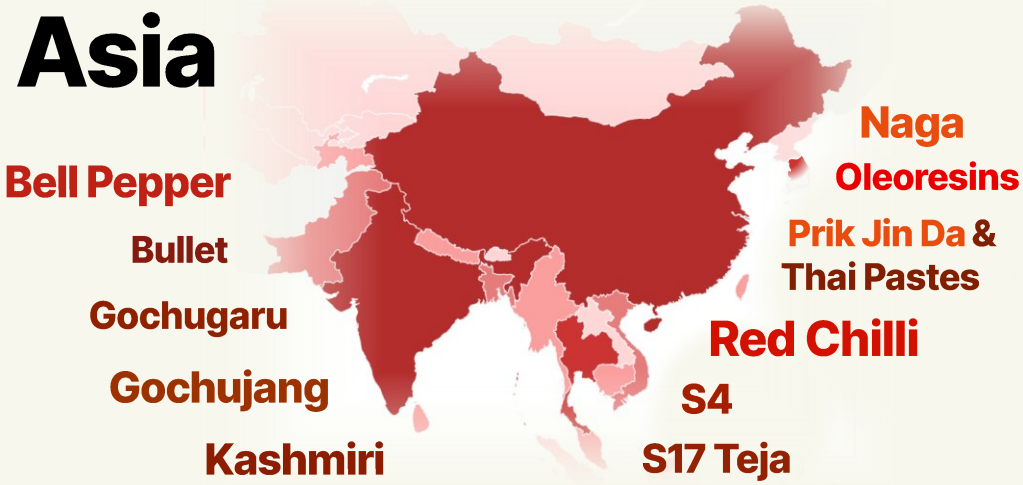

Our most recent EcoVadis assessment resulted in a 75/100 score and a silver medal, placing us in the top 9% globally.

Latin America

THE BIRTHPLACE OF CHILLIES

Capsaicin evolved in ancient chilli plants across tropical Latin America

Indigenous Mesoamerican cultures began cultivating chillies roughly 5000 years ago

Latin America is now home to some of the world's hottest chillies
